NEW MAGARE

What is the best part of your life?

Everybody has that special place, where we feel comfortable, where we can release our daily appearances just to be ourselves, in our purest essence.

Our home is the interior of our soul, the place where we draw our future, where we plan our dreams and where we live the best experiences among our dear ones.

Give yourself what you deserve, give yourself these little things that will make your life an endless moment of joy.

Allow your life be the best part of your life.

Come along to see the best we have for you.

The background is a light cream or off-white color, heavily textured with watercolor-style coffee stains. The stains are in various shades of yellow, orange, and brown, with some darker, more saturated spots. The stains are scattered across the page, with larger, more prominent ones in the top right and bottom left corners, and smaller, more delicate ones in the center and middle right. The overall effect is that of a vintage or aged document with coffee spills.

Ah, a vida...
O que se entende por viver,
São momentos...
Que momentos estes.

Oh, the life...
What is the meaning of life,
Just moments...
What moments.

Íntimos à meia luz
Ou à plena
Só ou acompanhado
Com seus queridos

Intimate, by the half light
Or by full
Alone or together
With your dear ones

Ah, que momentos estes
Onde mais gosto
De me recatar
Ou carnalizar

Oh, what moments
Where I like to be
To reserve me
Or carnalize me

Me meu recanto
Meu porto seguro
Meu lar
O lugar que me completa
Completa minha vida
Ah, que vida.

In my corner
My safe harbor
My home
The place that completes me
Completes my life
Oh, what a life.
