

## LA ESPERA

Elisa sale al balcón que da a la Gran Vía esperando a que Lucía y Miguel lleguen del cole. Seguro que su abuelo, Tomás, les está explicando una de sus historias de camino a casa. Ya tiene preparada la merienda. La necesitarán para hacer los deberes en sus habitaciones nuevas...

Elisa goes out onto the balcony overlooking the Gran Vía waiting for Lucía and Miguel to come home from school. Her grandfather, Tomás, is probably telling them one of his stories on the way home. She has already prepared a snack. They will need it to do their homework in their new rooms...

The wardrobe interior is divided into several functional zones:

- Hanging Section:** A central hanging bar is mounted against a vertical wood-grain panel. On the left, a white dress and a grey knit sweater are hanging. On the right, a light blue shirt, a pink shirt, and a grey shirt are hanging. A small, dark, cone-shaped light fixture is positioned in the center of the hanging area.
- Shelf:** A shelf is located below the hanging section. On the left, there is a small woven basket containing several thin, dark sticks. On the right, there is a stack of three folded grey sweaters.
- Shelving Unit:** Below the shelf is a shelving unit with three rows of compartments. The top row has two compartments, the middle row has three, and the bottom row has three. Each compartment contains folded clothing items, including shirts and sweaters.
- Drawer Unit:** At the bottom of the wardrobe is a stack of five drawers. Each drawer has a simple, horizontal, dark-colored handle.
